

ENVIRONMENTAL POLICY			
Document No.	CJD/IMS/P1/2022	Date of creation	14.05.2018*
Version	5.0	Date of adoption	31.08.2022

In pursuance of its Purpose, Vision, Mission & Core Values, CJ Darcl Logistics Limited is committed to contributing towards an ingenious environment and continual improving its environmental performance so as to fulfil its obligations to all Stakeholders

Towards this commitment, we shall:

Evaluate Environmental aspects and impacts from our operations and facilities to minimize the impacts and restore properties affected by our operations.

Comply with all applicable legal and other regulatory requirements.

Efficiently use the Natural resources to minimize waste generation through various efforts including recycling and innovative technology.

Strive for continual improvement in our environmental performance by communicating environmental impact and aspects to all concerned.

Use optimum utilizations of resources and reduce the consumption of energy.

Make sincere efforts to reduce the GHG emissions and contributes to protection against climate change.

Reduce and prevent Air pollution wherever possible, Enhance Biodiversity and Minimize vehicular emission of pollutants.

Minimize waste wherever practicable, Reuse or recycle waste wherever appropriate and regulate the treatment and disposal of residual waste.

Minimize adverse environmental impacts of asset decommission and disposal.

Enhance environmental awareness of Employees and contractors.

Advocate good environmental practices on both departmental and individual levels; and effectively communicate our environmental performance to stakeholders.
